## PROGRAM DESCRIPTION

This two and a half day conference will provide all health care professionals with an evidence based approach to managing patients with wound and ostomy problems, updates on documentation, wound products, reimbursements in acute care and home health, and palliative care issues.

## CONTINUING EDUCATION

Provider approved by the California Board of Registered Nursing #03602. The two and a half day program provides 14 contact hours.

### EDUCATION COORDINATOR

Elisabeth Harvey RN, MSN, CWOCN  
1118 #82 Cedar Creek Drive  
Modesto, CA 95355  
209.579.1190

## COURSE OBJECTIVES

- Describe pathophysiology and types of tissue injuries during surgical procedures
- Understand treatment approach to the diabetic foot ulcer
- Describe Intertrigo, including risk factors and one new treatment
- List four characteristics of Leptospermum honey dressings that help to promote healing
- Recognize and treat early protein-calorie malnutrition to prevent catabolism-induced complications in chronic wounds
- Understand coverage policies and reimbursement methodologies throughout the continuum of care
