## what can you expect?

- A full day of educational experiences
- 7 CEU's, lite breakfast and lite lunch
- Network with colleagues
- Attend skills stations for hands-on training with CWOCN experts
- Hear experiences from people living with an ostomy or fistula
- Visit with product vendors and learn about new products. Develop your "tool kit".

## Objectives:

FOLLOWING THIS SEMINAR,  
PARTICIPANTS WILL:

1. Recognize common bowel/bladder dysfunctions and provide appropriate interventions
2. Enhance their understanding of what is involved in living with an ostomy.
3. Understand obstacles involved in obtaining medical products and helpful hints.
4. List 5 product manufacturers and name one product they provide.
5. Identify contributing factors and appropriate interventions for stoma complications.
6. Identify situations in which devices or absorbent products are appropriate in management of urinary and/or fecal incontinence.

Provider approved by California Board of Registered Nursing;

Provider #14241, Approved for 7 CE contact hours

Provider: Pam Kirk RN, CWON

**Sacramento Valley Wound Ostomy  
Continence Practitioner's  
Association**  
Our Mission is to...

- provide peer support in their professional and personal lives
- provide education and information to each other
- mentor new wound, ostomy and continence practitioners
- educate the community in wound, ostomy and continence issues
- strengthen the partnership between practitioners and the industry that supports their practice
- inform Wound Ostomy and Continence Nurse Association (WOCN) members and others about local Pacific Coast Region (PCR) activities and opportunities for involvement.
